Todd, I think I deserve an answer.
When can we expect wires to commence and your new proposed payment terms with the agreed guarantee?

I don't understand why partial payments have stopped coming.

2018-08-05 6:01 PM

iPhone (+14165433946)

Hi Todd. I hear you're back.
We need to get our situation resolved. You must admit it's getting a bit ridiculous.
What's your plan? At the rate we're going it will take you 2 years to pay off including all the warehouse storage charges.
Please reach out to me with something concrete and realistic.
I've tried my best not to apply undo pressure but we need to bring this to an end.
All the best. Willy
